

AUSTRALIAN ROTARY HEALTH RESEARCH COMPANION

PhD Scholarship Investigating CHILDREN'S MENTAL HEALTH \$25,000 per year stipend

The Terry Beslich PhD Scholarship is offered to a PhD applicant – in Sydney, Australia- investigating the Mental Health problems associated with children living in disadvantaged and abusive families. The applicant must be beginning their first year of the Scholarship.

The Scholarship honours the late Terry Beslich and recognises the meritorious support for Australian Rotary Health over many years by the Beslich Family.

Contact Kelly Anne Martinez at Australian Rotary Health on (02) 8837 1900 for details.

**Closing date for all applications is
Friday 10th July 2009.**

Application forms can be downloaded From our website
www.australianrotaryhealth.org.au

Australian Rotary Health's Goals

- a) To encourage, promote, stimulate and aid medical and health research in Australia.**
- b) To co-ordinate and manage Rotary health initiatives and community health projects.**
- c) To promote, encourage and stimulate public interest in the prevention and treatment of ill health in Australia.**
